Admissions Helpers Resume Guide

1. List activities in each section in reverse chronological order (from most recent to least recent). If you have multiple activities that are ongoing, list the one you started more recently first.
2. Under the Education section, if you have not completed your degree, write it in the following format:

Education

Admissions Helpers University

08/08 to Present

Expected Graduation Date: 06/12

Degree Expected: Bachelor of Science in Consulting

Under the clinical experience section include all paid and non-paid work that was clinically relevant.

Under additional extracurricular activities include all hobbies such as art and sports if you were involved in hobbies as an organized activity. For example, if you were on the college tennis team or you played in the marching band it would go in the additional extracurricular activities section. If it was a hobby that you did for leisure, it would go in the hobbies section.
